MELISA FRANZEN ★ STATE SENATE

“I’m working to invest in our families and the next generation. Together, we can build a brighter future for all Minnesotans.”

Melisa Franzen

Building a stronger economy

Having faced the challenges of growing a business firsthand, Melisa is a leader creating the conditions for more economic growth, protecting jobs and leveling the playing field for small businesses.

Helping us care for our families

Melisa is working to make a difference by reducing healthcare costs and increasing transparency in the system. As a working mom, she knows how crucial child care and paid leave are—so she will fight for laws that help us work and care for our families.

Strengthening our schools & supporting our youngest learners

Because she believes excellent, affordable education from early childhood through college will create a brighter future for all Minnesotans, Melisa is a strong advocate for our schools—from funding Pre-K programs and targeting our most vulnerable children with early childhood scholarships to making sure a higher education is affordable for every student.
